

Caremark Drug Discount Cards and Medicare Prescription Plans FAQ

- Q. Can I still use my Caremark drug discount card if I sign up for a Medicare prescription plan?**
- A.** Yes, you can use your Caremark drug discount card anytime you need to purchase a prescription that is not covered by your Medicare prescription plan or any other insurance.
- Q. Should I use my Caremark drug discount card during my deductible and coverage gap periods of coverage for covered medications?**
- A.** No. Only use your Caremark drug discount card to purchase non-covered medications.
- Q. Can I use my Caremark drug discount card in addition to my Medicare prescription plan and get additional discounts.**
- A.** No. You need to present either your Medicare prescription plan card or your Caremark drug discount card. Only use your Caremark drug discount card when purchasing medications not covered by your Medicare prescription plan.
- Q. I'm not going to sign-up for a Medicare prescription plan, can I still use my Caremark drug discount card?**
- A.** Yes, you can continue to use your Caremark drug discount card just as you do today.
- Q. Will my Caremark drug discount card expire in 2006?**
- A.** No, your Caremark drug discount card is not affiliated with Medicare and will not expire in 2006 like the Medicare-approved drug discount cards. Continue to use your Caremark drug discount card anytime you purchase medications not covered by insurance.
